DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The timely submission filed on March 26, 2008 is not fully responsive to the prior Office Action because the request to correct the Sequence Listing was not met in the original restriction requirement mailed December 26, 2007. Since the submission appears to be bona fide attempt to provide a complete reply to the prior Office Action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this Action, whichever is longer, to submit a complete reply. This shortened statutory period supercedes the time period set in the prior Office Action. This time period may be extended pursuant to 37 CFR 1.136(a).

Election of SEQ ID NOS: 7 and 8 is acknowledged. However, a search of SEQ ID NOS; 7 and 8 cannot be performed because the SEQ ID NOS in the Sequence Listing do not match the SEQ ID NOS presented in the claims or the specification. For example, SEQ ID NO: 3 in claim 7 matches the sequence of SEQ ID NO: 4 of the Sequence Listing, while SEQ ID NO: 4 in claim 7 matches the sequence of SEQ ID NO: 5 of the Sequence Listing. In addition, the Sequence Listing is incomplete, as only sequences up to and including SEQ ID NO: 13 appear in the listing, while the claims and the specification contain 34 SEQ ID NOS. An accurate Sequence Listing that matches the SEQ ID NOS of the claims is required to render a meaningful search of the claims.
